TELEMARK SIGNS AGREEMENT WITH MINDSCAPE

RICHMOND, Calif., March 27, 2004 –Telemark Productions has signed an agreement with Mindscape, giving Mindscape the right to publish and distribute *Telemark's Guide to Dogs*, CD-ROM in the United Kingdom, Australia, and South Africa. The product will be released under the name *Telemark's Encyclopedia of Dogs*.

“We’re delighted that Mindscape will carry our product in these countries,” states Telemark president, Ellen Brodsky. “We welcome distributors in other countries and the US to contact us as well.”

Telemark's Guide to Dogs was released in fall of 2003 and is currently being sold at Mindscape.co.uk and in the US at Amazon.com, ActiveK9.com, Guidedogs.com, and Telemarkprod.com. Parts of the product are currently licensed for the Web by the Iams Company.

To inquire about distributing, publishing, or reselling *Telemark's Guide to Dogs* in the US or other territories, please contact Ellen Brodsky at info@telemarkprod.com.
